Profile

Third-year Computer Engineering student, passionate about developing innovative and high-performance solutions. Curious and proactive, I have explored various fields such as full-stack development, IoT, and intelligent systems, while designing robust software architectures. I am seeking a final-year internship to apply my skills and contribute to ambitious, high-impact projects.

Education

Computer Engineering Program	2023 – Present
Higher Institute of Applied Sciences and Technology (ISSAT) — Sousse	
Bachelor's Degree in Computer Systems Engineering	2020 – 2023
Higher Institute of Computer Science of Mahdia (ISIMA)
